

INDEPENDENT REVIEW COMMITTEE 2023 REPORT

December 31, 2023

Dear Investor:

On behalf of the Independent Review Committee (the "IRC") for the Outcome Canadian Equity Income Fund (the "Fund") managed by Outcome Metric Asset Management Limited Partnership (the "Manager"), we are presenting the Report for the year ending December 31, 2023.

The mandate of the IRC is to consider matters relating to conflicts of interest and recommend to the Manager what action should be taken to achieve a fair and reasonable result for the Fund in such circumstances. Our objective is to ensure that the interest of the Fund is placed above those of the Manager and its corporate interests.

Our board consists of three (3) members and are fully independent of the manager, its affiliates, and the Fund. We bring years of extensive knowledge in financial markets, business and investing.

We held one meeting for the fiscal year ended December 31, 2023 to review policies and procedures in relation to any potential conflict of interest matters. We also reviewed our independence and effectiveness to continue serving on the IRC.

A copy of this report is available free of charge on our website (<u>www.outcomewm.com</u>) and upon request at <u>info@outcomewm.com</u> or by calling 416.687.6680.
