## INDEPENDENT REVIEW COMMITTEE 2025 REPORT

December 31, 2025

Dear Investor:

On behalf of the Independent Review Committee (the “IRC”) for the Outcome Metric Funds listed in Schedule A (the “Funds”), managed by Outcome Metric Asset Management Limited Partnership (the “Manager”), we are presenting the Report for the year ending December 31, 2025.

The mandate of the IRC is to consider matters relating to conflicts of interest and recommend to the Manager what action should be taken to achieve a fair and reasonable result for the Funds in such circumstances. Our objective is to ensure that the interest of the Funds is placed above those of the Manager and its corporate interests.

Our board consists of three (3) members and are fully independent of the manager, its affiliates, and the Funds. We bring years of extensive knowledge in financial markets, business and investing.

We held one meeting for the fiscal year ended December 31, 2025 to review policies and procedures in relation to any potential conflict of interest matters. We also reviewed our independence and effectiveness to continue serving on the IRC.
